This packet compiled by Becky Riley

September 2001

To order additional copies, contact:

**Northwest Coalition for Alternatives to Pesticides**

PO Box 1393  
Eugene, OR 97440-1393  
(541) 344-5044

or download it from NCAP's Web site at:  
[www.pesticide.org](http://www.pesticide.org)

This packet was produced with the financial support of the US Environmental Protection Agency (Region 10), the W. Alton Jones Foundation, and the Citizens for Public Accountability Fund of the McKenzie River Gathering.

Special thanks to Dennis Lueck for permission to reprint many of his materials. Thanks, too, to NCAP interns Jess Silver and Lauren Siemsen-Newman for their assistance researching and writing two new articles developed for this packet.
